# BOOK ONE

## THE FLIGHT OF THE PRINCE

I just wish you could come to work with me. I don't like leaving you here alone each day.

I don't want to be a part of the Engineering Corps.

I like smelling like **food**, not sewers.

You smell more like **grease**, but okay.

I **like** it here. I like **working** here. And I'm going to be here at the end of the day, like I always am.

I'm good, Oakley. I promise.

Your shirt's on backwards.

Maybe I **like** my shirt on backwards! Maybe it is my cool new look.

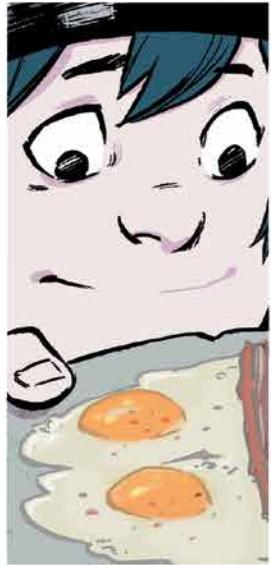

You're such a dork.

Make sure to keep these covered, 'kay?

I like Titus a bunch, but he's still new and he might not understand. Got it?

Yeah, I know.

We gotta be more  
vigilant. It's **good**  
the King brought the  
Bandaged Man back  
to Pipetown.

Hopefully  
it keeps the lot  
of them scared  
out of here.

You talk too much,  
Henry. And that  
hair of the dog  
is getting a little  
too hairy, if you  
ask me.

You should  
get home. Night  
shift will be back  
'round before you  
know it. Get  
some sleep.

Aye...  
I should.

Just keep your eyes  
open, Molly. If the King  
is worried that something  
is afoot in Pipetown, we  
should be worried,  
too.

Keep the  
ones you  
trust close,  
and keep  
your eyes  
on everyone  
else.

I will,  
Henry.

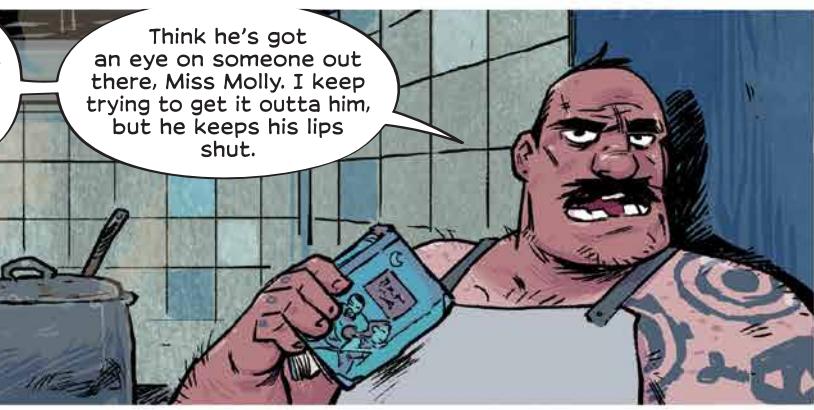

Everything alright, Miss Molly? You have a look about you.

It's fine, Titus. Everything is fine. Where's the boy?

He took off after the morning rush, like he always does. He's always back around **noon** before folks come by for lunch. Always **blushing**.

Think he's got an eye on someone out there, Miss Molly. I keep trying to get it outta him, but he keeps his lips shut.

He in trouble? Is that it?

He's not in trouble.

Okay.

Seriously, Molly...What are you worried about?

Never you mind, Titus.

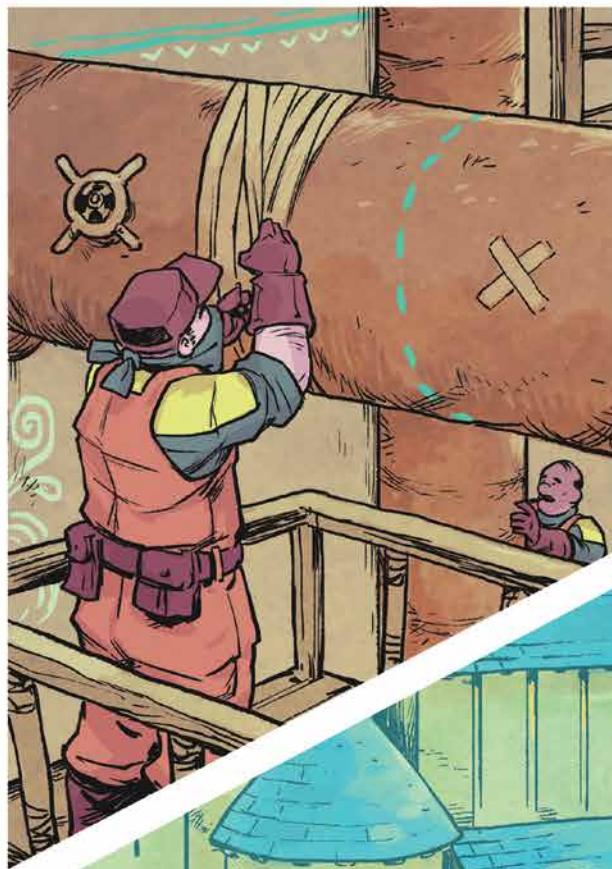

Never you mind.

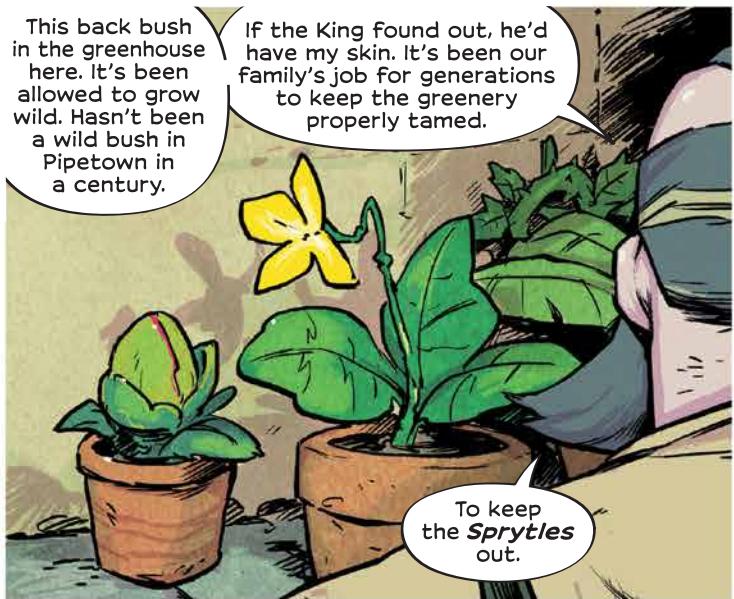

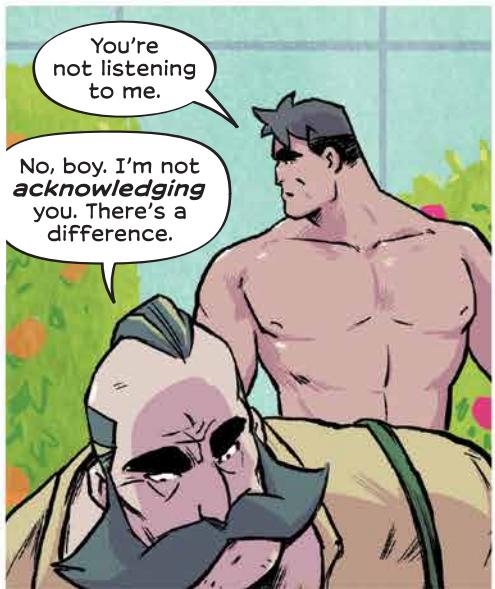

KIK!

Fawn all you'd like, Thorn. These damned things ran our ancestors out of the *Boreal Waste*, and the *Notunlands*.

They're the reason Pipetown is the last pure human stronghold in the damn world.

No matter what those *Weirdbloods* in Northport would have you think.

You haven't seen them, boy. The people twisted up into wretched beasts. Their *skin* turned to *bark*.

SNP

Branches coming out of their *eyes*. Their *tongues* sprouting flowers.

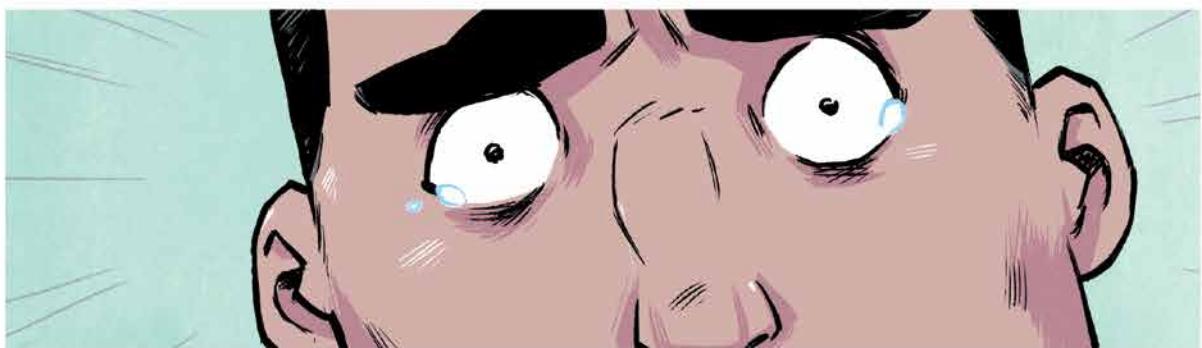

SNP SNP

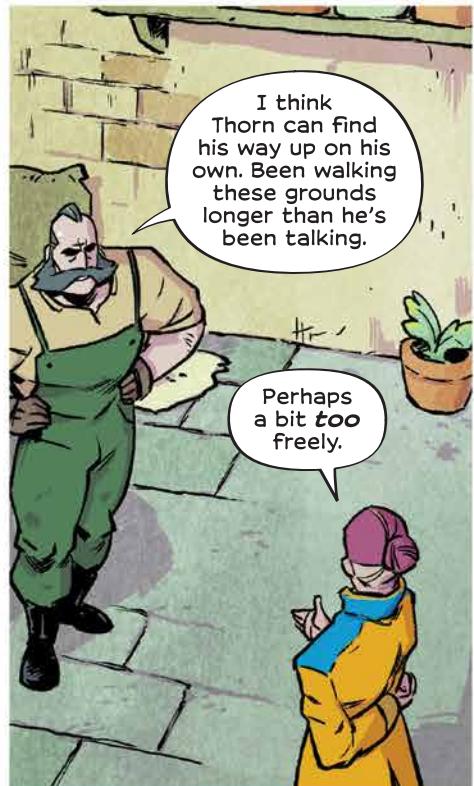

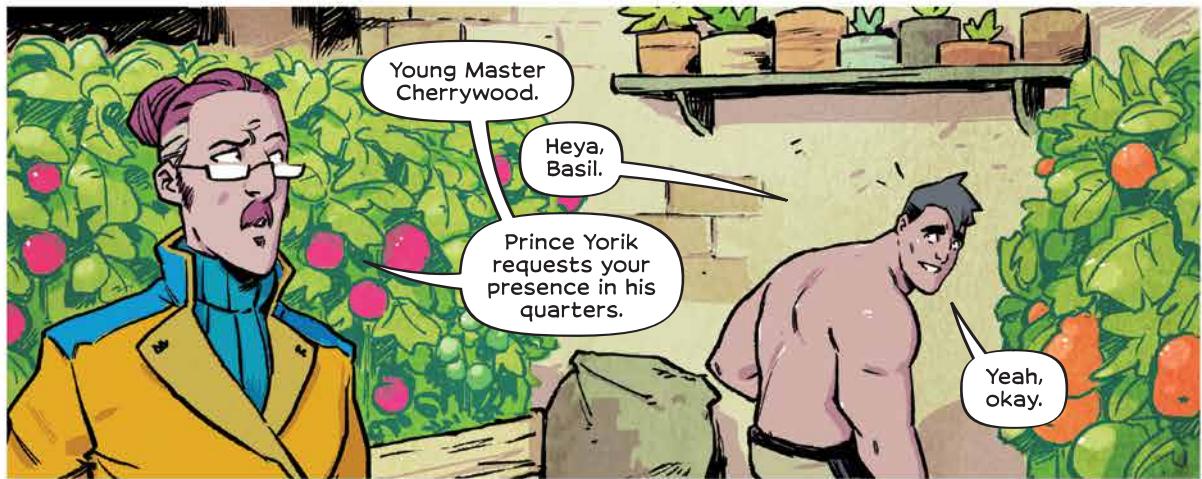

The world is *wild*, and we mustn't forget it. Men like the Bandaged Man, they keep the streets *safe*...

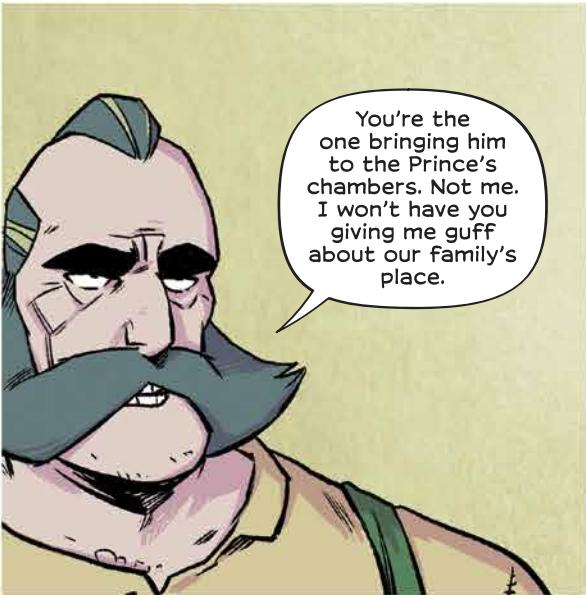

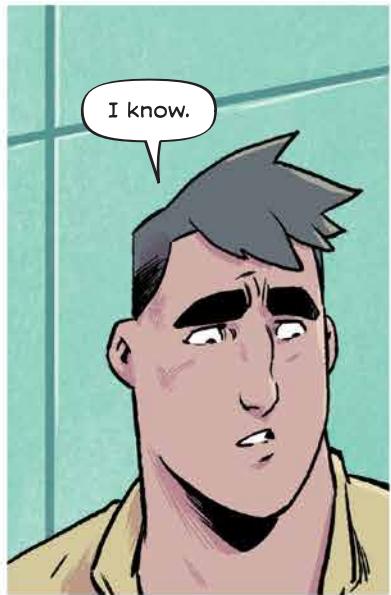

G-geebo...

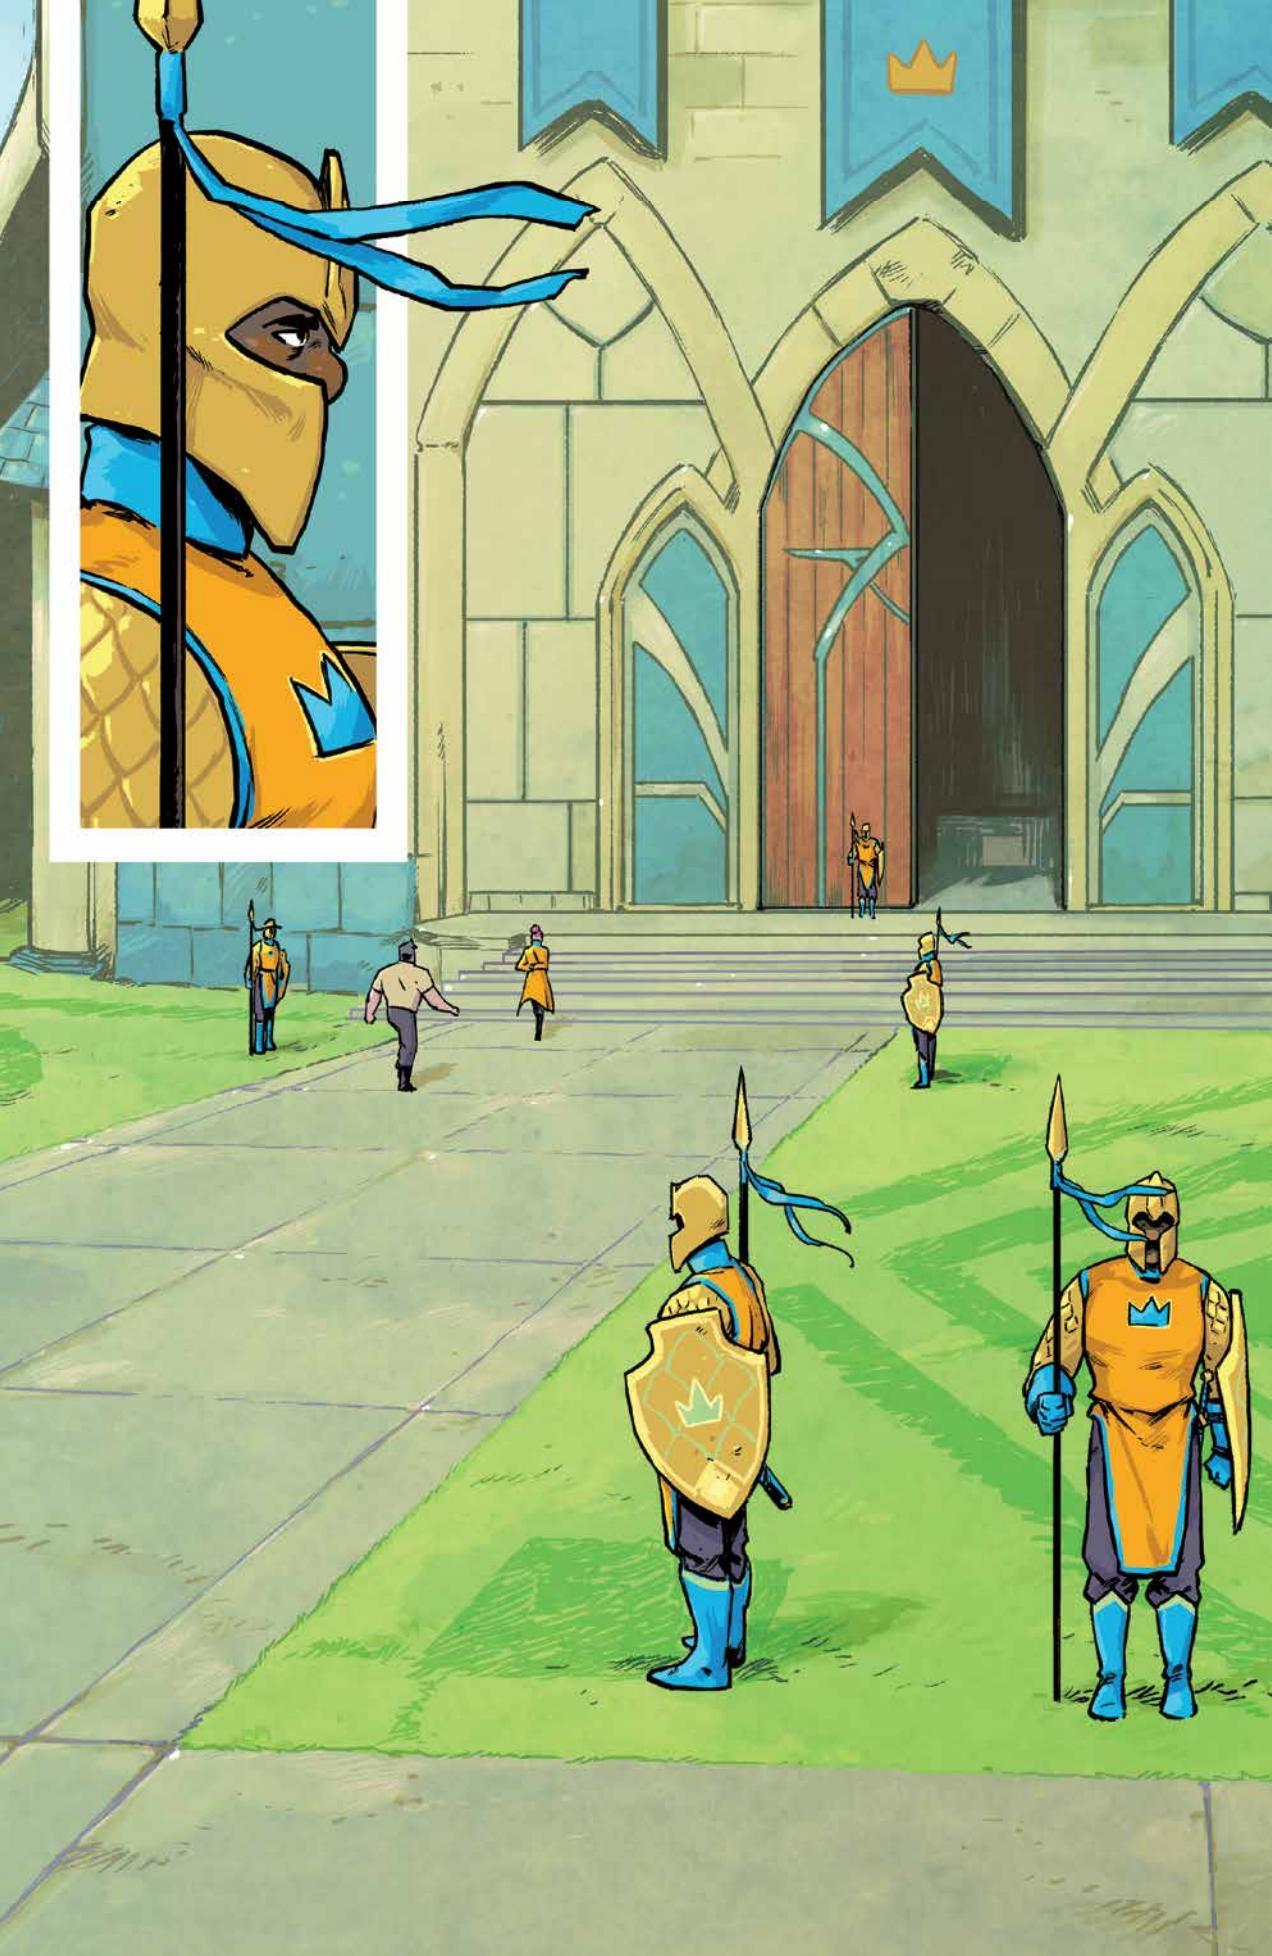

He's always  
horrible when he's  
sick, and these  
days he's **sick** all  
of the time.

He just  
wants you to be  
ready to run the  
kingdom.

No, he wants me **afraid**. Afraid  
of every horrible thing that  
might happen if the *Blood  
Laws* aren't upheld.

And he's just  
terrified my **uncle's**  
going to come out  
**of hiding** in Northport  
when he hears he's  
sick. That he'll make  
a **claim** for the  
throne.

Northport's hundreds  
and hundreds of miles  
away, and anyway...  
You're **before** the  
Duke in the line of  
**succession**.

Don't  
remind  
me.

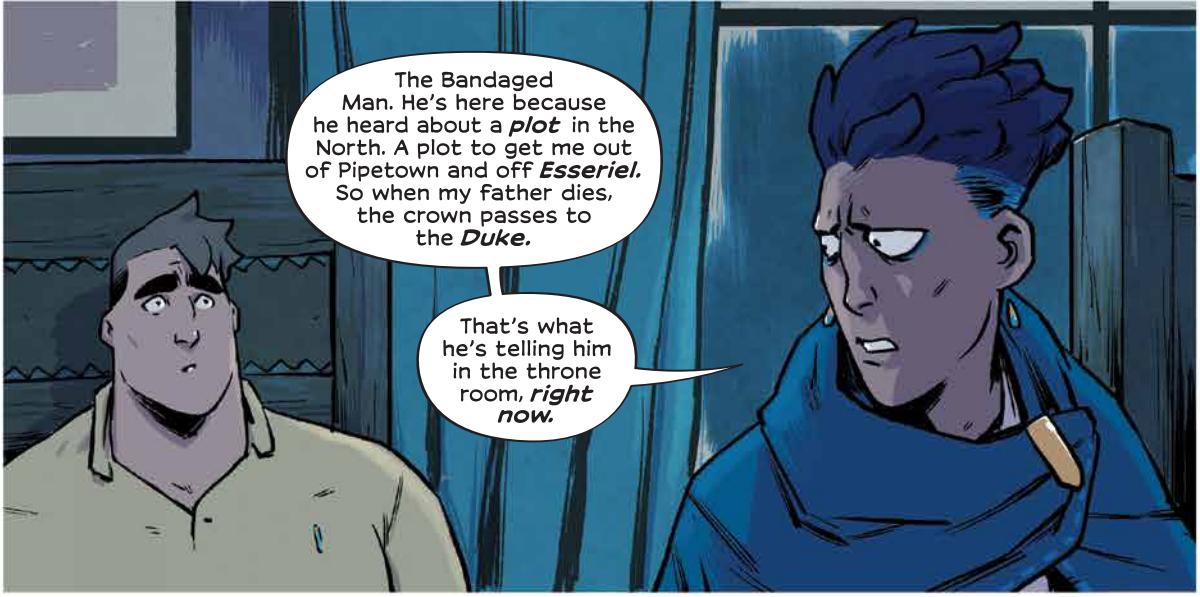

You seem  
more nervous than  
normal.

I am.

What  
is it?

The Bandaged Man. He's here because he heard about a *plot* in the North. A plot to get me out of Pipetown and off *Esserie*. So when my father dies, the crown passes to the *Duke*.

That's what he's telling him in the throne room, *right now*.

How...how do you know that?

There's something I need to *talk* to you about.

And then I'm going to ask you the biggest *favor* anybody's ever asked you in your *life*.

TO BE  
CONTINUED...
